

WILD FLOWER

The wines served at Wildflower represent a sense of place. By sharing these wines with you, we also share the stories & history of grape growers and winemakers who work tirelessly to create expressions of site and soil. These wines are true statements of the land in which they were grown and are sustainably produced, with integrity and respect.

KAMBARANG – SEASON OF BIRTH

This season marks the end of the rain, fewer cold fronts and warmer temperatures. The landscape is carpeted with a rainbow of wildflowers, including the vibrant flowering of the Kangaroo Paw. Kambarang is the season of plenty with an abundance of food available, including fruit, yams and gilgie (freshwater crayfish).
